# THE GOOD SAMARITAN

## Luke 10:25-37

Jesus told the people, "Love God, Love your neighbor."

"But Who is my neighbor?" the people asked.

Jesus said, "I will tell you a story. Once a man left Jerusalem and started down the road to Jericho. Some robbers came, took all his money and clothes and his donkey, and beat him up. They left him half dead by the side of the road."

"A priest from the temple came down the road, saw him and went to the other side of the road so he wouldn't have to look at him. A Levite (a temple helper) did the same thing. But then along came a Samaritan."

The people looked at each other. They wondered what Jesus was telling them. None of them thought the Samaritans were very good people.

Jesus continued, "The Samaritans saw the man and his heart went out to him. He put medicine and bandages on him, lifted the man onto his donkey, and took him to an inn.

"The Samaritan paid the innkeeper with his own money and asked him to take care of the man who had been robbed until he got well. He even promised to pay anything extra the next time he came to the inn."

Jesus looked at the lawyer. "Which one of the people was a good neighbor to the man? The priest? The Levite? Or the Samaritan?"

"The one who helped him," said the lawyer.

"Good, said Jesus. "Now go and do the same yourself! Show love for everyone, even if they are not your friend!"

When I help someone I
